

Welcome to-

Sandia Mountain Natural History Center

We are looking forward to having you!

The following information is very important:

- **For student SAFETY and to ensure an optimum learning experience, YOU are responsible for your students' DISCIPLINE** while at SMNHC. **An APS teacher or chaperone, able to control your group must be with them at all times.** If you are unable to hike, you need to bring a sub or principal-approved chaperone who can. Please limit chaperones to *about* one for every five students. Too many chaperones can sometimes be detrimental. If chaperones car pool from the school, especially schools bringing large groups, we save parking space and gas/CO2 emissions.
- Students need **name tags, paper and pencil.**
- **Copy the attached parent letters** and send home with permission slips for your students. They contain essential information about proper dress etc.
- **Post** the “classroom door flyer” so that students are adequately prepared for their field experience.
- The program will **not** be **cancelled due to weather** unless East Mountain Schools are on a two-hour delay or closed. Call us if you are not sure.
- There is a **MAP** to Sandia Mountain Natural History Center on the back of this sheet.

**If you have any questions, don't hesitate to call
SMNHC at 281-5259**

APS School site-No smoking allowed
